Appendix 1

In National Park we started having bookings from first weekend of July although the mountain opened a weekend earlier than that. Top lodged opened the second week of August after a bit of a struggle finding a custodian. We were lucky to find a lovely young dutch guy Maarten who started immediately. Whakapapa closed at the end of labour weekend and Turoa stayed open for another two weeks. We closed the top lodge after the first week of the school holidays as it was so late and there was hardly anyone even at the national Park lodge at that stage. After labour weekend no-one came down for the last two weeks of the season at Turoa, the weather was terrible.

Weather was fairly dismal both in the beginning and the end of the season, but we had a pretty good run and a fair amount of snow this year, right to the end. Quite disappointing result this year though, partly because of the weather at the beginning and the end but mostly because of the RWC. School holidays were moved earlier in July and later in October severely affecting our holiday bookings at both lodges. I think also discretionary spending has been down this year because of the RWC. We are 111 bednights down on last year (which wasn't a super year either it must be said). Compared to our two bumper years of 2008 and 2009 it is not such a pretty picture, down 400 and 800 bednights respectively.

We had one school group staying at the top lodge this year and our regular Transworks booking. We would love to build on more school bookings over the coming years, any help with this is appreciated.

Our theme nights were a hit as they are every year and they will be repeated again next year. they are now an integral part of our club calendar and they help immensely with bookings.

That is all from me. There will be some summer events this year, and anyone and everyone are welcome to these. Stay tuned to emails, website and facebook page and please do go along if you can. We would love to see more use of the club over the summer period in general to

Kind Regards

Marie Prendergast
